not in a position to bid at the auction...

7/8/55

Discussed with DS. It is not clear from the Colls. why he proposes to layout the area into plots of 10 guntlas each. The Colls. may be asked to state why such big plots are being laid out and why smaller plots upto 1½ or 3 guntlas cannot be laid out specially because they will be granted without auction presumably to the persons who are unable to bid in the public auction. DS.

as per limit laid down in rule 6 of the accompaniment to G.O. D.D., No. 220, dt. 24-11-09 A.S.R. of 1937 (No. 6216/B3, dt 6-10-37)

11/8/55

DS.

16/8

Dem. Deptt

P.13/C

The Colls. for the reasons stated in his letter, dt. August 1955, has proposed that the plots of 10 guntlas each may be granted to the proposed grantees. One of the reason given is that such large plots are required for the purposes of sanitary dwellings and for preserving amenity of the of the village. Under the standing orders it would be an anomalous precedent if such large plots are granted without auction. This deptt. may ∴ recommend that larger plots than 3 guntlas each may not be granted unless the health authorities are of the opinion that larger plots than that area (3 guntlas) are required for special circumstances, if any to be granted. The A.R.C.D. may consult the Colls. on this point.

13) Pl. see R.D's note on prefage. The contention of that Deptt, that the present case comes under the purview of orders issued in G.R. No FDM 1054 dt. 21-9-55 is not correct, in somuch as the said G.R. is not applicable to forest lands in Kanara distt. The relevant G.R. under which the present case comes is FDM 1054 dt. 28-1-55. Under para 11(a) of the G.R dt. 28-1-55 read with G.R. No FDM 1054 dt. 20-4-55 the Govt. is authorised to grant forest land for extension of gothan to the extent of 5 acres. As the land involved in the present case exceeds this limit Govt. orders sanctioning the grant would be necy. and it is usual to issue such orders by this Deptt. in respect of Kanara distt.

Submitted with ref. to O.N. dt. 23-3-56.

2. The A&F.D. thinks that the contention of the R.D. that the present case comes under the perview of orders issued in G.R. A &A.D. No.F.D.M. 1054, dt.21-9-55 is not correct in as such as the said G.R. is not applicable to kanara Dist. and that the relevant G.R. under which the present case falls is F.D. M. 1054, dt.28-1-55 (para 11(a)) read with G.R. A&F.D. No.F.D.M. 1054, dt.20-4-55 The latest G.R.No.F.D.M. 1054, dt.21-9-55 and G.Rs quoted in the preamble of this G.R. do not however mention that these orders do not apply to forest lands in Kanara Dist.

3. As the A.&F.D. however states that the present case is covered under G.R. A&F.D.No.FD.M. dt.28-1-55 and 20-4-55, the papers may be returned to that Deptt, with the following remarks.

(i) This Deptt. accepts the recommendations of the Medical officer of Health viz., the agriculturists and non-agriculturist may be given a plot 75 gunthas and 3 gunthas, respectively.

(ii) As the area of the plots exceeds the limit of two gunthas laid down in G.R. No.6216/33, dt. 6-10-37, and of 3 gunthas and 1½ gunthas laid down in rule 4 in accompaniment to G.R. D.D.M No.230, dt. 24-11-49, the plots may be disposed of by auction.

No. S105/VI-118 Karwar, 15-2-1955

Subject: Lands: Kanara
Disforestment of the ....

There was an accidental fire in Kolsirsi village in Siddapur Taluka in the year 1949 in which the whole of the village was gutted with fire. The residents of the village are in the need of residential plots. It was therefore proposed to lay out plots each of 10 gunthas for providing the sufferers with house sites.

According, an area of 13-9-0 acres was ordered to be disforested. (kindly vide Government Notification No. GN.A. and F.D. No. S 36/9/40174 of 25-10-1950) for residsntial purpose.

The plots each of 10 gunthas proposed to be laid out were meant for 86 families. Further more plots are necessary to meet the unforeseen demand of the villagers in the future. So in all 100 plots were proposed to be laid out. The total area of the 100 plots thus comes to 25 acres. Besides, an area of 15½ acres is required for making provision for internal roads, school, play ground, chavdi, well etc. within the lay out plan. The total area thus comes to 33-33-15½ acres. As against this the area available for laying into plots is 21-27-8 as detailed below:-

1. Rajinamas	3-28-8
2. Mofat Gavthana	2-0 -8
3. Area already disforested (S.No. 72A1B)	13-9-0

AGRICULTURE & FORESTS DEPARTMENT
Date 18 FEB 1955
FILE No. FLD 1255
SERIAL No. E 14038

4. area of gavthana plots	2-29-8
	21-27-8
Area now required to be disforested	12- 6-7½
Total	33-33-15½

The D.I.L.R.Kanara has measured the whole area of 33-33-15½ and formed in all 94 plots. The lagout prepared by the D.I.L.R. is at page 51 of this correspondence. The plan indicates the area already disforested and also the area still to be disforested.

The plots are gunuinely required by the residents for residential purpose. Government in Development Department under their No.CSH 1653/71495(9)-C dated 18-9-1954 directed to expedite submission of the proposal to Government regarding grant of land to Kolsirsi Model Co-operative Housing Society. There is no local objection for the disforestment of the area. The Chief Conservator of Forests, B.S.Poona has also agreed to the disforestment(P.49 of this correspondence).

The plots formed in the area of 13-9-0 acres which was already disforested were ordered to be disposed of on the following terms and conditions.

1. New and impartible tenure.
2. On payment of occupancy price equal to panch valuation and usual measurement expenses.
3. N.A.assessment prevailing in the locality should be paid by the grantees.
4. The plot should be used for residential purpose only.
5. While erecting residential building all building conditions and set-back limit rules now in force should be observed.

6. The grantee should give a building in the terms contemplated in G.R.R.D.No. 1970/45 dated 17-10-1947.

Government may therefore kindly be moved to accord their approval for the disforestment of an additional area of 12-6-7½ acres as shown in sketch at Page 45 and its disposal after forming suitable plots therein to the residents of Kolsirsi subject to the same terms and conditions an which the plots in the adjoining area were ordered to be disposed of.

The papers of the case accompany.

Letter

To

The Secretary to Government,
Revenue Department, Bombay.

No.S 105/VI/118. Karwar, -8-1955.

REVENUE DEPARTMENT
No. 17 AUG 1955

Subject: Lands: Kanara
Kolsirsi, taluka Siddapur.
Disforestment of forest ... at,

Reference: Govt.Memorandum,R.D.No.A.& F.D.
FLD 1255/14038(R.D.) P of 19-3-1955.

In this case, an area of 13-9-0 A.G. out of F.S. No.72A1 of Kolsirsi village in Siddapur taluka has been disforested under Government Notification, A.& F.D.No.S 36/9/40174 of 25-10-1950 for the purpose of laying out residential plots for the villagers of Kolsirsi who lost their houses in accidental fire. There are in all 86 families in the village.

At the time of lay out of plots in the area disforested, the villagers desired that plots of 10 gunthas each should be made out. They were not prepared to accept any area less than 0-10-0 G. each on the ground that the plots of that much area are minimum required by them for construction of their dwelling houses and cattle shed etc. Most of the villagers have also relinquished their malki plots for being included in the lay out plan, in exchange of plots in the future lay out plan.

Both the Mamlatdar, Siddapur and the Prant Officer made personal inquiries regarding their need, sanitary dwellings and preserving amenity of the neighbourhood etc. and recommended lay out of plots of 0-10-0 each. The Collector also, after detailed enquiry, considered it necessary

P.T.O.

to form plots of G. 0-10-0 each to have well planned buildings in the new village site and, therefore, approved the lay out of plots of G. 0-10-0 each. Accordingly, the plots have been demarcated on the site by the D.I.L.R., Kanara.

G.R.D.D.No.230 of 24-11-1949 prescribes rules for grant of assistance under Postwar Reconstruction Scheme to Co-operative Housing Societies, for backward classes. The limits of 3 gunthas or 1½ gunthas prescribed in it are applicable to only backward class families engaged either in agricultural or non-agricultural pursuits and who are obtaining house sites through the Backward Class Co-operative Housing Societies. But the plots laid out in this case are meant for the whole villagers including both backward and non-backward class people. So, this G.R. it appears is not applicable to this case.

As regards the orders contained in G.R.R.D.No. 6216/33 of 6-10-1937, it may be stated that the principles of forming plots of 2 gunthas as prescribed in it are meant for providing house sites in the villages for agriculturists. The condition 3 of the Collector's order No.9769 of 1-10-1952(a copy of which is enclosed) clearly shows that the plots are meant for N.A.purpose. The orders contained in the above G.R. are also not, therefore, applicable to this case.

In the circumstances, Government may kindly be moved to disforest the area of 12-6-7½ A.G.As. out of forest S.No.72A1 of Kolsirsi as already proposed under this office No.ovan of 15-2-1955.

ii. Letter No.G/11/4012 dated 18-8-1952 from the D.F.O.E.D.,Kanara.

ORDER

The layout plan in respect of 100 plots in an area of 30 acres out of F.S.No.72A1 of Kolsirsi village in Siddapur taluka, prepared by the C.I., Tyagli on 5-9-1952 is hereby approved. The size of plots and width of internal roads should be as under:

i. The size of plots should be 10 gunthas each.

ii. The width of the internal main road, the length of which is more than 1000 feet should be 60 feet and that of other roads should be in accordance with the standard width prescribed in G.R.R.D.No.1629/49-V dated 29-2-1952.

2. The following plots should be reserved for the purposes shown against them:

Plot No.	Purpose for which it is reserved.
39 shaded with red pencil on the layout plan.	for the purpose of a chavdi.
40 -do-	-do- a "Sanskar Kendra".
10, 34, 100 marked with red circle on the plan.	-do- of public wells.
61, 62, 63, 64 shaded with ink on the plan.	open ground which should not be given out to anybody.

3. The D.I.L.R. should demarcate the plots immediately by deputing a special Surveyor, if necessary, as already directed on 3-9-1952.

4. The plots after demarcation should be disposed of by the Prant Officer personally who

P.T.O.

should camp there and dispose of the plots on the spot subject to the following conditions:

1. New and impartible tenure
2. On payment of occupancy price equal to panch valuation and usual measurement expenses.
3. N.A. assessment prevailing in the locality should be paid by the grantee.
4. The plot should be used for residential purpose only.
5. While erecting a residential building, all building conditions and setback limit rules now in force should be observed.
6. The grantee should give a binding in the terms contemplated in G.R.R.D.No.1970/45 dated 17-10-1947.

There should be no delay either in demarcation of the plots or in their disposal after demarcation.

Sd/ A.H.B.Tyabji
Collector of Kanara.

To

1. The Mamlatdar of Siddapur and (ii) the Prant Officer, S.D., Kanara, with the papers of the case in 4 files.

Copy with a plan to the D.I.L.R., Kanara for compliance with para 3 of the order.

Copy w.cs. to the Divisional Forest Officer, E.D., Kanara, Dharwar.

No FLD 1285/123584 E

B'bay 24th Oct-; 1955-

Ref. correspondence resting with your letter No S-105/VI-118 dt- 8-1955 rep. distribution of lands at Kolsirsi, tal Siddapur.

Govt. considers that larger plots than 3 gs. each shd. not be granted unless the health authorities are of the opinion that bigger plots than that area (i.e. 3 gs.) are reqd. to be granted for spl. circumstances if any. You are requested to consult the health authorities accordingly and review your proposal in the light of their opinion. X

The case pps. are retd. herewith.

24/10 By order etc
A.S.to Govt.

ISSUED

X. It may also be clarified if any plots of 10 G. have been granted out of the area already disforested to any of the villagers in pursuance of the Collr's order No. 9769 B. 1-10-52.

AGRICULTURE & FOREST DEPT.
Date of Receipt
- 8 FEB 1956
File No. FLD/255
Serial No. E 16428

No.S 105/VI/118 Karwar, 4-2-1956.

Subject: Lands: Kanara
Kolsirsi, taluka Siddapur
Disforestment of forest .... at,

Reference: Govt.letter, A.& F.D.No.FLD 1255/
123584-E of 24-10-1955.

The Medical Officer of Health, E.D., Kanara was consulted in terms of Government orders referred to above. He recommends grant of a plot of 0-5-0 G. each to an agriculturist and 0-3-0 G. each to a non-agriculturist (page 79, File VII).

All the papers pertaining to the lay out of plots in the area in question are enclosed. According to Collector's order No.9769 of 1-10-1952 (page 25, file VI), plots of 10 gunthas have already been laid out in the aforesaid area and their demarcation, on the spot has also been completed.

The above plots are meant for the villagers of Kolsirsi who lost their houses in accidental fire in 1949. As this was a question of settling the whole village, it was considered necessary to have a systematic and well planned layout (page 94 and 96, file II). Originally, it was proposed to lay out plots of 0-5-0 G. each. This plan is at page 9(file I) But the people objected (page 193, file I) to this layout on the ground that they being agriculturists, the plots of the above size would not be sufficient for their use and that 0-10-0 gunthas each are minimum required by them for their residential houses and cattle shed etc.

P.T.O.

In the meantime, there was a press cutting (page 91, file II) in the "Nagarika" Kannada Weekly dated 12-2-1952 alleging that their request for grant of 0-10-0 G. each was not granted and that the rayats i.e. sufferers have not been provided with house sites though nearly 2 years elapsed. After much persuation by the then Prant Officer (page 1, file V) and on the promise given by him that they would be granted plots of 0-10-0 G. each, they relinquished their malki lands (file III). With a view to avoid the unplanned and uncontrolled activities between the area disforested and the area to be disforested, the owners of the gaonthana land were persuaded to hand over their lands after giving the promise as above.

Besides, all the above facts, it is a matter for consideration whether the lay out of plots of 0-10-0 G. each is against the standing orders of Government. The village Kolsirsi is an interior village in Siddapur taluka and the population of the whole village is 867 as per census of 1951. It is not a developing village.

According to the orders contained in Govt. Resolution, Revenue Department No.2648/33-III' of 27-6-1945, even in villages where important building development is not likely to take place, at present, Collectors are required to follow the principles mentioned in G.Rs.R.D.No.2648/33 of 18-10-1940 and 10204/24 of 27-6-1945 for preparing well planned lay outs in consultation with the Consulting Surveyor to Government as soon as the area becomes ripe for development. Under G.R.R.D.No.1629/49 of 16-11-1949, Government have laid down that normally, layouts with plots measuring 5000 square feet and over may be approved and that lay outs with more than 5% of the number of plots with a size of less than 5000 square feet each should not be approved by the Collector without the concurrence of the Consulting Surveyor to Government. As the plots laid out, in this case, were

measuring more than the above prescribed limit and as the village was not a developing one, it appears that the Collector has approved the layout plan, without consulting the Consulting Surveyor to Government.

The condition No.4(2) of the Collector's order No.9769 of 1-10-1952(page 25, file XI) shows that the grantees are required to pay full occupancy price and non-agricultural assessment prevailing in the locality. This shows that no concession is given to the grantees though it was ordered to be disposed of without auction. The only intention in ordering the disposal of the plots without auction was to provide building plots to the sufferers. The rules contained in G.R.R.D.No.230 of 24-11-1949 which are evidently meant for grant of assistance to building Societies for Backward Classes do not in my opinion apply to the case under consideration.

The villagers have now built temporary huts in the area and have been residing there under extenuating circumstances. Some of them have gathered materials to build pacca houses, in 1951 only. However, none of the plots out of the plots laid out have so far been disposed of.

In the circumstances, Government may please be moved for reconsidering the matter and for disforestation of the additional area as already proposed.

File No. FLD 1255
Serial No. E 97210

The villagers were persuaded by the Mamlatdar personally in the light of Government orders to agree to the laying out of plots of 0-5-0 gunthas each but they are adamant to have plots of not less than 10 gunthas. In these circumstances, the request of the villagers to have a layout of 10 gunthas each will have to be refused in view of the decision taken by Government contained in the orders referred to above. There are, however, some complications which must be cleared off before a final decision is taken.

(1) The layout plan covers some malki lands also, the owners of which have tendered their resignation in the year 1952 with a view to have a planned layout of residential plots in the village.

(2) Many houses have already been erected in the plots by the people of the village on the assumption that they will have 10 gunthas plots and these houses will have to be demolished, if the area of the plots is to be reduced to 5 gunthas and a revised layout plan is to be prepared.

The Prant Officer has, therefore, been directed to report within a month whether the Malki land

P.T.O

surrendered, cannot conveniently be set apart from the layout and the number of houses built in the area and the number of houses that would have to be demolished, if the plots of 5 gunthas are formed, together with information as regards the individual losses to be sustained.

I will, therefore, submit my detailed report to Government on receipt of the remarks from the Prant Officer. B

Collector of Kanara.
